book your students in
now!

Ausdance SA 'Dancers in Schools' program offers your students a unique opportunity to work with an experienced dancer.

There are many styles available from our enthusiastic artists to suit your students' interests. Ausdance SA can teach your students new moves, show them how to choreograph their own work and prepare for performances or exams.

'Engage your students in physical activity through music & dance. A fun way to meet the required 60 minutes of physical activity each day.'
